DCBIA's Commercial Construction Group

# “DCRA TAKES GIANT STEPS TO IMPROVED PERMIT PROCESSING”

**Friday, March 26, 2010**

12:00 Noon – 2:00 PM

**Patton Boggs LLP**

2550 M Street, NW, Washington, DC 20037  
Conference Level

Along with its move to new headquarters at Waterfront in southwest Washington, DC on March 22, DCRA will implement two new online programs that will greatly improve the permitting process. **Gus Viteri, Director, Office of Information Systems, DCRA**, will provide a “sneak preview” of what is coming to DCRA this spring. **David Briggs of Holland & Knight LLP** will moderate the presentation. You don't want to miss this!

### Interactive Voice Response (IVR) System for Permit Inspections

- Easy access from touch tone phones
- 24/7 access to inspection results
- Inspectors can relay and post inspection results from the field
- Contractor can cancel or change existing inspection appointment
- Contractor can request automatic notification of results

### On-Line Plan Submit System

- Applicants have 24/7 access to submit/resubmit plans
- Electronic file upload – no waiting in line
- Plans routed to reviewers instantly
- Concurrent, multi-department review access
- Automatic review and version control
- Automatic email notification of changes or approval
- Eliminate need for multiple sets of paper plans reducing cost to applicants
