

The Keystone + Mountains + Lakes Regional Council of Carpenters (KML) represents the hard-working men and women throughout Washington DC. KML is seeking new DC Area apprentice applicants for our Mid Atlantic Carpenters Training Center in the skilled trades: Carpenter, Millwright, Trade Show, & Piledriver.

A Career in the KML Carpentry Trades provides:

- Participation in a **FREE** Registered Apprenticeship Program
- A Family sustaining wage
- Excellent fringe benefits
- Industry required National Credentials and Certifications
- A Dynamic career path in the Construction Industry
- **FREE College Credits** for successful completion of a trade apprenticeship

JOB KNOWLEDGE, SKILLS AND EXPERIENCE

- Previous construction experience, a plus but not required
 - AWS Welding Certification, a plus
- Possess and exude a positive, team-oriented attitude
- Prioritize projects and tasks while remaining productive and professional
- Work in all possible environments
- Handle a rigorous, physical daily workload
- Excellent listening skills
- Excellent time management skills
- Work in a **DRUG FREE** Workplace

Commute to school and various job locations throughout Washington DC & MD

Journeymen earn \$28/hour with an excellent fringe benefit package

Please contact MACTC for application information.
